Join TABC staff by videoconference for a second stakeholder meeting to discuss draft rules as a result of the agency's implementation of new laws and quadrennial rule review.

Potential draft rules and advisories for publication:

- **Item 1.** Revisions to and reorganization of Chs. 34, 35, 36, and 37. A crosswalk of current and proposed rules is included as a guide as well as a redlined and clean version of proposed changes.
- **Item 2.** Revisions to new rules in new Chapter 49, Actions of Employee or Delivery Driver Not Attributable to License or Permit Holder.

It is TABC's intent to propose these rules for publication at the commission meeting in March. All applicable documents are attached.

If you are unable to attend the videoconference meeting, you may share your thoughts with TABC staff by e-mailing rules@tabc.texas.gov.
